CREW PROFILE

Captain DAVE

Captain Dave has cruised offshore sail boats for over 38 years, sailing over 50,000 miles. Well known in the multihull world as a professional sailor, he has won numerous national championships on multihulls and set 5 world records on the largest racing catamaran in the world. Dave has also spent 3 decades as a sailmaker and is an accomplished windsurfer who loves watersports of all types.

Dave also enjoys teaching sailing, whether you are a novice or want to hone your navigation skills or perhaps to learn the finer points of cruising on catamarans. Dave also offers professional fly fishing trips to some of the best, unspoiled regions in the Bahamas

out islands, including Cat Island, Conception Island and Rum Cay, The Exumas, The Jumentos, Ragged Island, and Crooked and Acklins Islands.

His vast knowledge of the various creeks and flats where bone fish, tarpon, permit, and numerous species of wildlife can be found, will add an extra dimension to your Bahama sailing experience.

Cook/Hostess TRISHA

Trisha has shared Dave's passion for sailing and watersports for over 20 years. As an enthusiastic partner in hooking up the Catch of the Day, she uses only fresh local ingredients to prepare healthy, hearty meals with a Bahamian flair.

Together, Dave and Trish make a great team! They love what they do and know how to show guests a good time. They look forward to welcoming you aboard!
